DEFINITIONS OF PHYSICAL LIMITATIONS:

VISUAL HANDICAP: Lacks visual acuity to read standard printed materials without special aids or devices other than regular glasses.

BLINDNESS: Visual acuity of 20/200 or less in the better eye with correcting glasses or the widest diameter of visual field subtending an angular distance no greater than 20 degrees.

DEAF-BLIND: Severe auditory impairment in combination with legal blindness.

PHYSICAL HANDICAP: Unable to hold a book or turn pages as a result of physical limitations. Examples include: without arms or the use of arms; impaired or weakened muscle and nerve control; limitations resulting from strokes, cerebral palsy, multiple sclerosis, muscular dystrophy, polio, arthritis, or similar conditions.

READING DISABILITY: Organic dysfunction of sufficient severity to prevent reading printed materials in a normal manner. **IF THIS DISABILITY IS CHECKED, A MEDICAL (M.D.) OR OSTEOPATHIC (D.O.) DOCTOR MUST SIGN.**

This **CERTIFICATE OF ELIGIBILITY** must be completed and signed by a competent authority OTHER than the applicant's immediate family. **AN ORIGINAL SIGNED COPY OF THIS APPLICATION MUST BE SUBMITTED TO TBBC.** In cases of blindness, visual impairment or physical limitations, competent authority is defined to include doctors of medicine and osteopathy, optometrists, registered nurses, therapists, professional staff of hospitals, institutions and public welfare agencies (such as social workers, case workers, counselors, rehabilitation teachers and superintendents). In the absence of any of these, certification may be made by a professional librarian or by any person whose competence under specific circumstances is acceptable to the National Library Service (NLS) for the Blind and Physically Handicapped, Library of Congress, Washington, DC. NLS administers [the federal law](#) under which the New Jersey State Library Talking Book & Braille Center operates.
